## New York Life Premium Plus Variable Annuity Performance Summary

as of May 31, 2008 for policies purchased before June 2, 2003

To obtain a copy of the product and funds prospectuses, please contact your NYLIFE Securities LLC Registered Representative or call 1-800-598-2019. Investors are asked to consider the investment objectives, risks, charges and expenses of the investment carefully before investing. Both product prospectus and the underlying fund prospectuses contain this and other information about the product and underlying Investment Options. Please read the prospectuses carefully before investing.

<sup>1</sup>Performance for the classes/shares in this performance summary do not impose a 12b-1 fee except for Fidelity® VIP Mid Cap—Service Class 2 which was added on September 8, 2003, Victory VIF Diversified Stock—Class A Shares, MFS® Utilities Series—Service Class, Neuberger Berman AMT Mid-Cap Growth Portfolio—Class S which were added on May 1, 2004, Columbia Small Cap Value Fund, Variable Series—Class B which was added on November 15, 2004, MainStay VP Floating Rate—Service Class and MainStay VP Balanced—Service Class which were added on May 1, 2005, and MainStay Conservative Allocation—Service Class, MainStay VP Growth Allocation—Service Class, MainStay VP Moderate Allocation—Service Class and MainStay VP Moderate Growth Allocation—Service Class which were added on February 13, 2006 as Investment Divisions through New York Life Premium Plus Variable Annuity) and may be higher than the returns for those classes/shares that do impose a 12b-1 fee. Contact your NYLIFE Securities LLC Registered Representative or call 1-800-598-2019 for more information.

<sup>2</sup> Assumes no deduction for contingent deferred sales charge.

<sup>3</sup> Risk Tolerances are assigned by New York Life. The Investment Divisions are grouped by risk classifications that reflect performance volatility based on Lipper classifications as of December 31, 2007. Lipper is a widely used independent research firm, which ranks mutual funds and other investment companies by overall performance, investment objectives and assets.

<sup>4</sup> The New York Life Premium Plus Variable Annuity was first offered for sale on November 13, 2000. Certain Portfolios and Investment Divisions existed prior to this date. The hypothetical performance has been modified to reflect Separate Account and Fund annual expenses as if the policy had been available during the periods shown. The New York Life Premium Plus Variable Annuity invests in NYLIAC Variable Annuity Separate Account III.

<sup>5</sup> Performance is calculated as of the initial date a deposit was received in the Investment Division.

<sup>6</sup> The S&P 500 Index® is an unmanaged index and is widely regarded as the standard for measuring Large-Cap U.S. stock market performance. "S&P 500" is a trademark of the McGraw-Hill Companies, Inc. and has been licensed for use by the MainStay VP S&P 500 Index Portfolio. The MainStay VP 500 Index Portfolio is not sponsored, endorsed, sold or promoted by Standard & Poor's and Standard and Poor's make no representation regarding the advisability of investii in the MainStay VP S&P 500 Index Portfolio. Investors cannot invest directly in an index.

<sup>7</sup> An investment in the MainStay VP Cash Management Portfolio is neither insured nor guaranteed by the Federal Deposit Insurance Corporation or any other government agency and there can be no assurance that the Portfolio will be able to maintain a stable net asset value. Although the Portfolio seeks to preserve the value of your investment at \$1.00 per share, it is possible to lose money by investing in the Portfolio. The current yield as of May 31, 2008 more closely reflects the Portfolio's earnings than the total return figures shown.

<sup>8</sup> New allocations to the Alger American SmallCap Growth - Class O Shares Investment Division will not be accepted from Policyowners who were not invested in the Investment Division as of June 1, 2007. (formerly known as Alger American Small Capitalization)

<sup>9</sup> The MainStay VP Value - Initial Class Portfolio merged with and into the MainStay VP ICAP Select Equity - Initial Class Portfolio on May 16, 2008.

Historically, certain fees have been assumed or reduced by some of the portfolios. Had these expenses not be assumed or reduced, the total return for those Investment Divisions would have been lower.

The New York Life Premium Plus Variable Annuity is a flexible premium deferred annuity issued by NYLIAC. Under this policy, we will apply a credit to premiums paid in a percentage amount according to the credit rate schedule then in effect. Policies with a premium Credit may have higher fees and expenses, and may have longer surrender charge periods than policies that do not provide the Credit feature. There may be circumstances in which the purchase of a New York Life Premium Plus Variable Annuity is less advantageous than the purchase of another New York Life variable annuity which may have lower fees but no credit. This may be the case, for example, if you intended to make fewer and smaller payments into the contract, or if you anticipate retaining the contract for a significant time beyond the surrender charge period.

Performance data quoted is past performance. Past performance is no guarantee of future results. Due to market volatility, current performance may be lower or higher than the figures shown. The investment return and the accumulation value of your policy will fluctuate so that a policy, when surrendered, may be worth more or less than the premium payments. For current to the most recent month-end performance information, please call 1-800-598-2019 or visit [www.newyorklife.com](http://www.newyorklife.com).

All performance reflects the percentage change for the period shown with capital gains and dividends reinvestment and includes an annualized Separate Account Expense Charge of 1.60%. A policy service charge of \$30 is not included in these charges, but will be deducted each year from the policy's accumulation value on the policy anniversary and upon surrender of the policy if on that date the Accumulation Value is below \$100,000. The performance shown, therefore, would be slightly lower if your policy's accumulation value is less than \$100,000. Performance "Assuming No Surrender" does not reflect the deduction of the Surrender Charge(s) (SC). If reflected, the performance would be reduced. Performance "Assuming Surrender" reflects the maximum SC. The maximum SC for each payment is 8%, declining to 3% by the 8th year after that premium payment has been in the policy, with no charge thereafter. Withdrawals and surrenders may be taxable transactions, and prior to 59½, may be subject to a 10% IRS penalty (the penalty tax is increased to 25% in the case of a distribution from a SIMPLE IRA within the first two years of your participation in a SIMPLE IRA plan). The Investment Divisions offered through the New York Life Premium Plus Variable Annuity and described herein are different from mutual funds that may have similar names but are available directly to the public. Investment results may differ.

## New York Life Premium Plus Variable Annuity Performance Summary

as of March 31, 2008 for policies purchased before June 2, 2003

Performance data quoted is past performance. Past performance is no guarantee of future results. Due to market volatility, current performance may be lower or higher than the figures shown. The investment return and the accumulation value of your policy will fluctuate so that a policy, when surrendered, may be worth more or less than the premium payments. For current to the most recent month-end performance information, please call 1-800-598-2019 or visit [www.newyorklife.com](http://www.newyorklife.com).

All performance reflects the percentage change for the period shown with capital gains and dividends reinvestment and includes an annualized Separate Account Expense Charge of 1.60%. A policy service charge of \$30 is not included in these charges, but will be deducted each year from the policy's accumulation value on the policy anniversary and upon surrender of the policy if on that date the Accumulation Value is below \$100,000. The performance shown, therefore, would be slightly lower if your policy's accumulation value is less than \$100,000. Performance "Assuming No Surrender" does not reflect the deduction of the Surrender Charge(s) (SC). If reflected, the performance would be reduced. Performance "Assuming Surrender" reflects the maximum SC. The maximum SC for each payment is 8%, declining to 3% by the 8th year after that premium payment has been in the policy, with no charge thereafter. Withdrawals and surrenders may be taxable transactions, and prior to 59½, may be subject to a 10% IRS penalty (the penalty tax is increased to 25% in the case of a distribution from a SIMPLE IRA within the first two years of your participation in a SIMPLE IRA plan). The Investment Divisions offered through the New York Life Premium Plus Variable Annuity and described herein are different from mutual funds that may have similar names but are available directly to the public. Investment results may differ.
