Investment Options

- We offer a wide array of investment options in different asset classes and styles, including four asset allocation funds, and
- A Fixed Account (backed by the assets in NYLIAC's general account)

Premium Credit

An extra amount, calculated as a percentage of your premium payment, will be added to your account. Based on the Credit Rate Schedule currently in effect, the bands are as follows:

\$50,000 - \$99,999	3.25%
\$100,000 - \$499,000	4.00%
\$500,000 or more	5.00%

Policies with a premium credit and Longevity Benefit may have higher fees and expenses, and may have longer surrender charge periods than policies that do not provide those features. The premium credit and the accumulated premium bands can be changed at the sole discretion of the company. No M&E and Administrative Costs Charge is applied to the premium credit amount.

Fees and Charges

- Annual M&E and Administrative Costs Charge is 1.35% based on adjusted premium payment
- The Longevity Benefit charge is 1.00% (0.25% quarterly) based on the premium payment
- Please refer to the funds prospectus for details regarding fund fees and expenses
- Annual policy service charge is \$30. Waived at \$100,000

Withdrawal Options

- Each policy year you may withdraw 10% of your accumulation value or 100% of your investment gains, whichever is more, without a surrender charge
- Withdrawals over and above the free withdrawal amount are subject to surrender charges as shown below
