¹Performance reflects the percentage change for the period shown with capital gains and dividends reinvested and the deduction of portfolio investment management and operating expenses. It does not reflect the policy's sales expense charge, state premium tax and federal tax charges, monthly contract charge, per thousand face amount charge, mortality and expense risk charge and cost of insurance charges or any rider charges. Had these expenses been deducted, total returns would be significantly lower. Consequently, the returns shown are greater than actual returns that would have been achieved under the policy during the periods shown.

The advisors to some of the Portfolios have assumed or reduced some of those Portfolios' fees and expenses. Had these expenses not been assumed or reduced, the total return for these Investment Divisions would have been lower.

²The Investment Divisions offered through NYLIAC Pinnacle VUL and NYLIAC Pinnacle SVUL are different from mutual funds that may have similar names but are available directly to the public. Investment results will differ.

³The Inception Date is the date the underlying portfolio was established, not the date the portfolio was added as an Investment Division to the Separate Account. NYLIAC Pinnacle VUL and NYLIAC Pinnacle SVUL were first introduced for sale on 6/11/2001. For the period from the Inception Date, until 6/11/2001, values assume that the NYLIAC Pinnacle VUL and NYLIAC Pinnacle SVUL policies were available, which they were not. NYLIAC Pinnacle VUL and NYLIAC Pinnacle SVUL are no longer being offered for sale.

⁴An Investment in the MainStay VP U.S. Government Money Market Investment Division is not insured nor guaranteed by the Federal Deposit Insurance Corporation or any other government agency and there can be no assurance that the Portfolio will be able to maintain a stable net asset value. Although the MainStay VP U.S. Government Money Market Investment Division seeks to preserve the value of your investment at \$1.00 per share, it is possible to lose money by investing in the Portfolio. The current yield more closely reflects the portfolio's earnings than the total return figures shown.

⁵Premiums or transfers will not be accepted into this Investment Division on or after 11/13/2017 if you did not have Cash Value in this Investment Division prior to 11/13/2017. If you remove all of your Cash Value from this Investment Division on or after 11/13/2017, you will not be allowed to reinvest in this Investment Division.
