

Accident & Health Insurance: Why Choose New York Life For Associations and Affinity Groups?

New York Life provides accident solutions to help address the inherent risks of accidental injuries for your association or affinity group community. Our flexible coverage designs and schedules can be customized to provide various accident benefits to association and affinity groups.

Focus on the Insured

Customize the group coverage

We believe insurance should be as unique as the community they serve.

Focus on recovery

When an insured can worry less about their expenses when suffering a covered accident, they can focus more on their recovery.

Benefits are paid directly to the insured or medical facility.

The benefit is paid directly to the insured, their beneficiary or medical facility to help ease financial burdens immediately where it is needed the most.

The New York Life Difference

New York Life offers best-in-class service to brokers and policyholders. With Underwriters who have over 20 years of experience in the Accident and Health market segment, we understand the needs and wants of your association or affinity group and its members.

Other Markets We Serve

New York Life Insurance Company maintains a separate, dedicated division managing every aspect of Group Membership and affinity operations with more than 300 groups under contract insuring nearly 1 million people. This division specializes in life, disability and supplemental health insurance for its groups.

26 million

Accidents lead to 26 million emergency room visits each year.
