

New York Life Premium Plus Variable Annuity Performance Summary

As of February 28, 2025

For policies purchased before June 2, 2003

Performance data quoted represents past performance. Past performance is no guarantee of future results. Due to market volatility, current performance may be lower or higher than the figures shown. The investment return and the Accumulation Value of your policy will fluctuate so that a policy, when surrendered may be worth more or less than the premium payment(s). For current to the most recent month-end performance information, please call 1-800-598-2019 or visit www.newyorklife.com.

All performance reflects the percentage change for the period shown with capital gains and dividends reinvested, and includes an annualized Mortality and Expense Risk and Administrative Costs Charge of 1.60% and Fund Company Expenses. An Annual Policy Service Charge of \$30 is not included, but will be deducted each year from the policy's Accumulation Value on the policy anniversary and upon surrender if on that date the Accumulation Value is less than \$100,000. The performance shown, therefore, would be slightly lower if your policy's Accumulation Value is less than \$100,000. Charges for any optional riders, if reflected, would reduce the performance shown.

Non-Standardized Performance ("Assuming No Surrender") does not reflect the deduction of Surrender Charges.

Standardized Performance ("Assuming Surrender") reflects the maximum Surrender Charge under the policy. The maximum Surrender Charge for each premium payment is 8%, declining to 3% (or 2% for single premium policies) by the 8th year after that premium payment has been in the policy, with no surrender charge thereafter.

Withdrawals and surrenders may be taxable transactions, and prior to age 59½, may be subject to a 10% IRS penalty (the penalty tax is increased to 25% in the case of a distribution from a SIMPLE IRA within the first two years of your participation in the SIMPLE IRA plan).

The Investment Divisions offered through the New York Life Premium Plus Variable Annuity and described herein are different from mutual funds that may have similar names but are available directly to the general public. Investment results may differ.

In certain jurisdictions, this product was sold as a single premium variable annuity. In most jurisdictions, the policy form number for the New York Life Premium Plus Variable Annuity is 200-195.

The New York Life Premium Plus Variable Annuity is a flexible premium deferred variable annuity issued by NYLIAC. Under this policy, we will apply a Credit to premiums paid in a percentage amount according to the credit rate schedule then in effect. Policies with a premium Credit may have higher fees and expenses, and may have longer surrender charge periods than policies that do not provide the Credit feature. There may be circumstances in which the purchase of a New York Life Premium Plus Variable Annuity is less advantageous than the purchase of another New York Life variable annuity which may have lower fees but no credit. This may be the case, for example, if you intended to make fewer and smaller payments into the contract, or if you anticipate retaining the contract for a significant time beyond the surrender charge period.

Sales of the New York Life Premium Plus Variable Annuity were discontinued. Current policyowners may continue to make premium payments, subject to their contract provisions. Existing policies will continue to be serviced.

New York Life Variable Annuities are long-term retirement products issued by New York Life Insurance and Annuity Corporation ("NYLIAC"), a Delaware Corporation, and offered by NYLIFE Securities LLC, (member FINRA/SIPC) a Licensed Insurance Agency. The New York Life Premium Plus Variable Annuity is a flexible premium deferred variable annuity issued by NYLIAC. Under this policy, we will apply a Credit to premiums paid in a percentage amount according to the credit rate schedule then in effect. Policies with a premium Credit may have higher fees and expenses, and may have longer surrender charge periods than policies that do not provide the Credit feature. There may be circumstances in which the purchase of a New York Life Premium Plus Variable Annuity is less advantageous than the purchase of another New York Life variable annuity which may have lower fees but no credit. This may be the case, for example, if you intended to make fewer and smaller payments into the contract, or if you anticipate retaining the contract for a significant time beyond the surrender charge period.

Sales of the New York Life Premium Plus Variable Annuity were discontinued. Current policyowners may continue to make premium payments, subject to their contract provisions. Existing policies will continue to be serviced.
