**GRIEF-SENSITIVE SCHOOLS INITIATIVE (GSSI) NEW**

In 2018, New York Life launched a groundbreaking national program called the Grief-Sensitive Schools Initiative (GSSI). The purpose of this initiative is to raise awareness about the prevalence of childhood bereavement, especially “everyday” grief, and the resources available for school communities to support grieving students. New York Life workforce members serve as GSSI ambassadors to personally introduce this initiative to local schools and provide grants to those that strive to become more grief sensitive. To find out more, please visit: [www.grievingstudents.org/gssi/](http://www.grievingstudents.org/gssi/)
