

Voluntary benefits simplified

Position your organization to offer meaningful protection without added complexity. Our voluntary benefits suite is designed to integrate seamlessly into your broader benefits strategy—minimizing administrative burden while maximizing value for your employees.

One point of contact at every stage

From initial implementation to ongoing support, you'll work with a consistent team to streamline coordination, reduce handoffs, and ensure accountability throughout the lifecycle.

- **Implementation manager:** To facilitate a smooth, hassle-free setup.
- **Account team:** Dedicated account executive and sales partner serve as strategic advisors.
- **Enrollment consultant:** Expert guidance across life, disability, and voluntary benefits.

Integrated solutions designed to deliver operational efficiency

Our platform was built with enterprise-scale simplicity in mind—consolidating systems, touchpoints, and processes to create a more efficient experience for your HR team and employees alike.

- **Unified cloud-based claims platform**
A centralized platform for managing life, disability, absence, and voluntary benefits claims.
- **Centralized employee portal**
A single portal for claims filing, status updates, and communication related to claims.
- **Auto-payment of voluntary claims**
Automatic activation of relevant voluntary benefits triggered by qualifying disability and life/AD&D claims.
- **Auto-adjudication for health screening claims**
Streamlined health screening benefit claims processing to accelerate employee payouts.
- **One data feed**
A unified data feed for all products to reduce administrative overhead.
- **Flexible pricing and bundling options**
Tailored pricing and bundling solutions to meet specific budget objectives.
- **Trust issuance for expanded benefit availability**
Enhanced benefit availability across 40+ states through trust issuance.
- **Simplified billing**
One bill for all products with no reconciliation.*

Accident | Critical Illness | Hospital Indemnity
