STEP 5A Read and sign.

By signing, you understand:

- New York Life Insurance Company and New York Life Insurance and Annuity Corporation (collectively, "New York Life") will direct the transfer of funds from the account you have designated. This transfer will be applied to reduce the outstanding loan principal of the policy(ies) shown on this form until the loan is paid in full or this arrangement is canceled or otherwise becomes void. We also authorize the financial institution associated with that account to debit and/or credit that account accordingly.
 - **For Target Life, Variable Life, and Pinnacle retail products:** This transfer will be applied to reduce the outstanding loan principal of the policy(ies) until the loan is paid in full or this arrangement is canceled or otherwise becomes void.
 - **For Whole Life, Universal Life, Survivor Universal Life, Single Premium Universal Life, Asset Flex, and Asset Preserver products:** This transfer will be applied first to repay loan interest and then to reduce the outstanding loan principal of the policy(ies) until the loan is paid in full or this arrangement is canceled or otherwise becomes void.
- The repayment amount you have authorized will be debited each month from the account you have designated. For Target Life policies, this debit will occur on either (1) the same calendar day of the month as the policy's anniversary date or (2) the 28th day of the month, whichever day is earlier. For Variable Life and Pinnacle policies, you can designate the date of the month that you would like the monthly amount debited from your designated account. You cannot choose the 29th, 30th, or 31st of the month.
- **For Target Life, Variable Life, and Pinnacle retail products:** The amount of each monthly repayment, which must be a whole dollar amount of at least \$50 or 1/12 of the annual interest (whichever is greater), will be applied first to the outstanding loan principal. Loan interest will be calculated on a basis which provides an annual effective interest rate not in excess of the policy loan interest rate. If you wish to change the monthly repayment amount or the withdrawal date, written authorization must be provided to us by the policy owner and, if repayments are coming from a 3rd party payor, the 3rd party payor must also authorize the changes in writing. It may take more than one withdrawal cycle to effectuate the change.
- **For Whole Life, Universal Life, Survivor Universal Life, Single Premium Universal Life, and Asset Preserver products:** The repayment amount will be debited each month from the account you have designated. This debit will occur on either (1) the same calendar day of the month as the policy's anniversary date or (2) the 28th day of the month, whichever day is earlier. If you wish to change the monthly repayment amount, written authorization must be provided to us by the policy owner and, if repayments are coming from a 3rd party payor, the 3rd party payor must also authorize the changes in writing. It may take more than one withdrawal cycle to effectuate the change.
- If you, as the policy owner or Designated Payer (if the policy owner is not the Designated Payer) wish to **terminate or change** the automatic payment arrangement, you must notify us **at least 10 days** prior to your withdrawal date.
- This arrangement will automatically terminate (a) upon a change in the account specified in Step 3A, (b) when the loan principal has been repaid, (c) when the policy lapses, matures or otherwise terminates as described in your policy contract, or (d) for Target Life only, 62 days following the due date of any premium which has not been paid. Please note that after two consecutive returns, your automatic payment arrangement may be automatically terminated.
- Prior to each policy anniversary we will mail you a separate bill advising you of the accrued interest due for the current policy year. If the interest is not paid by the anniversary date, any accrued interest on the outstanding loan principal will be added to that principal. Accrued interest can only be added to the loan principal if there is sufficient cash value in the policy to do so.
- If automatic bank loan repayments are being paid by a 3rd party payor for non-variable policies, a confirmation letter will be mailed to the 3rd party payor. Any other correspondence sent by New York Life regarding an automatic bank arrangement for both variable and non-variable policies will be mailed to the policy owner of record, and, generally, not to the 3rd party payor. It is the policy owner's responsibility to advise the 3rd party payor of any changes made to the arrangement. However, a 3rd party payor may receive correspondence if the policy owner, under a separate notification, has requested that we establish the 3rd party payor as a courtesy copy recipient in our records.

Bank Account Owner(s) Authorization: I (we) understand that I (we) may stop this repayment arrangement(s) by notifying New York Life. The policy owner of each policy may stop it for his or her own policy. The arrangement ends on the day New York Life receives the notice. I (we) authorize New York Life and/or one of its subsidiaries to make monthly withdrawals from the specified account. I (we) authorize the financial organization shown on the above form to debit my (our) account accordingly.

Your signature(s) confirm(s) that you have read all the information on this form and that the information you have provided is correct.
