STEP 4 Select your Tax Withholding Election – check one box only.

Note: If you surrender your policy, it may result in a taxable gain. Any taxable gain will be reported by us to you, to the Internal Revenue Service, and to any applicable state taxing authorities. Be sure to discuss this with your tax advisor.

Are you a citizen of the United States? Yes No

Please select the withholding options that apply to this payment.

Federal withholding election:

NO withholding YES withhold at default 10% rate YES withhold at a different rate (IRS Form W-4R required)

State withholding election:

NO withholding (may not be available in certain states) YES withhold at _____% rate (minimum state withholding may apply)

If you elect to have federal income tax withheld, you can choose any rate between 1 - 100%. If you wish to have federal withholding at a rate other than the default 10% rate, please submit a completed IRS Form W-4R (which can be found at www.irs.gov) along with this request form. For an eligible rollover distribution, 20% minimum withholding is required. If federal withholding applies, state withholding may apply depending on your state of residence. We are required by Federal law to withhold 10% of any taxable gain that may result from this transaction if: (1) your taxpayer identification number is not provided in Step 5, (2) you do not make a withholding election, or (3) the payment is delivered outside of the United States or its possessions.

STEP 5 Read and sign.

Your signature(s) confirm that you understand and agree that:

- You have read all the information on this form and that the information you have provided is correct.
- Where the owner is a corporation or trust, please provide signatures of two corporate officers or all trustees as well as their respective titles.
- Where the owner is a partnership, the form must be signed by two partners other than the annuitant. In the case of a limited partnership, only the signature of general partner is required.
- Where the policy is assigned, the assignee's signature is required in addition to the policy owner's signature. If the assignee is a bank or corporation, two officers must sign. If policy is jointly owned and has another designee(s) who is authorized to request transactions on the policy, the signatures of all joint owners and designees are required. All signatories must provide their Tax Identification Number.
- Where the policy owner is a person acting as a guardian, conservator or in a similar capacity, evidence of appointment must accompany the form.
- For annuities, partial withdrawal requests for amounts greater than \$50,000 must be received in a form acceptable by us and include a notarized confirmation of the owner's signature or a medallion signature guarantee.
- Owner distributions that are taxable will be reported to the IRS on Form 1099R.
- It is the participant's responsibility to meet the IRS requirements that qualify for this distribution.

Federal Income Tax Withholding Information

A dividend withdrawal from your policy may result in a taxable gain reportable to the IRS on Form 1099. Federal income taxes must be withheld at a flat 10% rate from the taxable portion of your payment (as determined from our records), unless you elect not to have withholding apply by checking the appropriate box in the Income Tax Withholding Election section on this form. U.S. citizens living outside the United States cannot elect out of withholding. (Your election as to whether taxes are or are not to be withheld will apply to any other payments from the same policy. You may change your withholding election at any time.) In addition, a 10% IRS penalty may be imposed if you receive the payment prior to age 59½, unless you are disabled or some other exception applies.

Even if you elect not to have Federal income tax withheld, you are liable for payment of such tax on the taxable portion of your payment. There are penalties under the estimated tax payment rules if enough tax has not been paid through either estimated tax payments or withholding. If the taxable portion of a payment when added to the taxable portion of all other payments during the year is less than \$200, Federal income tax is not required to be withheld.
