STEP 2 Partial Withdrawal (Complete this section for a one-time withdrawal.)

For SPVUL, VUL 2000, VUL, and SVUL, we impose a fee, not to exceed the lesser of \$25 or 2% of the amount withdrawn, for each withdrawal. The minimum amount that may be withdrawn is \$500. For VUL 2000, VUL, and SVUL, we will not allow a partial withdrawal if it would reduce the face amount of your policy (not including riders) below the minimum face amount (\$50,000 for VUL 2000 and VUL; and \$100,000 for SVUL). For SPVUL, we will not allow a partial withdrawal if it would reduce the Cash Surrender Value below the minimum initial single premium required by issue age (\$5,000 for issue ages 17 and below; \$100,000 for issue ages 18 and above).

For VUL Provider, Legacy Creator SPVUL, VUL Accumulator, VUL Accumulator II, Market Wealth Plus, VUL Accumulator Plus, and SVUL Accumulator, we may impose a fee that will not exceed \$25 for each withdrawal. The minimum amount that may be withdrawn is \$100 for VUL Provider, VUL Accumulator and VUL Accumulator Plus; and \$500.00 for Legacy Creator SPVUL and SVUL Accumulator. For VUL Accumulator, VUL Accumulator II, Market Wealth Plus, SVUL Accumulator, and VUL Accumulator Plus, we will not allow a partial withdrawal if it would reduce the face amount of your policy (not including riders) below the minimum face amount (\$50,000 for VUL 2000, VUL Accumulator, VUL Accumulator II, Market Wealth Plus, and VUL Accumulator Plus; and \$100,000 for VUL Provider and SVUL Accumulator). For Legacy Creator SPVUL, we will not allow a partial withdrawal if it would cause the policy's Cash Surrender Value to fall below \$10,000.

Partial withdrawal requests for amounts greater than \$50,000 must include a notarized confirmation or Medallion Signature Guarantee of the policyholders(s) signature.

I REQUEST A WITHDRAWAL AMOUNT OF: \$

Choose one option:

- ☐ **Gross:** I understand that I may receive less than this amount if I elect to have taxes withheld and/or a surrender charge applies.
- ☐ **Net:** I wish to receive the full amount specified above. I understand that the amount deducted from my policy may be greater if I elect to have taxes withheld and/or a surrender charge applies.

If any of these partial withdrawal options include monies to be withdrawn for the purposes of paying a premium for another NYLIAC, New York Life, or a Long Term Care product, please indicate the policy number and payment type. Please Note: Loan Repayments are not eligible for Long Term Care products.

The partial withdrawal will be used to pay the premiums on the following policy number:

STEP 3 Periodic Partial Withdrawal (PPW - recurring withdrawals)

For VUL, VUL 2000, VUL Provider, VUL Accumulator, VUL Accumulator Plus, Accumulator II, and Market Wealth Plus Policies Only

Please complete this section if you wish to receive Periodic Partial Withdrawals (PPW) on a regular schedule. Only one PPW arrangement may exist for each policy. If a new election form is received it will cancel any previous election form. You may not elect to receive Periodic Partial Withdrawals if you are currently making scheduled deposits to your policy via automatic deposits from your bank. Except as provided below, Periodic Partial Withdrawals will continue until notification to terminate them is received by NYLIAC.

PPW arrangements can not be elected while the No Lapse Guarantee provision is in effect, if you have a Guaranteed Minimum Death Benefit Rider, an Intermediate No Lapse Guarantee Rider, your policy is a MEC, or if your policy is below its minimum face amount. If a PPW would cause the policy's Face Amount to be less than the required face amount (\$100,000 for VUL Provider; and \$50,000 for VUL, VUL 2000, VUL Accumulator, VUL Accumulator II, Market Wealth Plus, and VUL Accumulator Plus), we will not process the PPW and the arrangement will be suspended. For the PPW arrangement to continue as scheduled, the Cash Surrender Value must be maintained at a \$2,000 minimum and must be sufficient to cover the policy's monthly charges. If the Cash Surrender Value falls below this minimum and/or is insufficient to cover the monthly charges, this option will be suspended. For the PPW arrangement to continue as scheduled, the Cash

Surrender Value must be maintained at a **\$2,000** minimum **and** must be sufficient to cover the policy's monthly charges. If the Cash Surrender Value falls below this minimum and/ or is insufficient to cover the monthly charges, this option will be suspended. **We will notify you if this occurs.** If the Cash Surrender Value subsequently reaches the \$2,000 minimum and/or the monthly charges have been satisfied, the PPW arrangement will automatically restart on the next scheduled date.

We will automatically terminate your PPW arrangement when total withdrawals taken (including PPWs) equal the total premiums paid under the policy. (Due to this rule, your last PPW payment may be smaller than your requested PPW amount.) Otherwise, PPWs will continue until NYLIAC receives your notice to terminate them.

3A: Tell us how much you would like to receive for the scheduled withdrawals (Check only one)

☐ A Specified Amount (Minimum \$100) \$ _____ (The specified amount will be withdrawn for each payment. A surrender charge may apply.)

For VUL and VUL 2000, we may impose a fee, not to exceed the lesser of \$25 or 2% of the amount withdrawn, on the first withdrawal. For VUL Provider, VUL Accumulator, VUL Accumulator Plus, Accumulator II, and Market Wealth Plus, we may impose a fee not to exceed \$25 on the first withdrawal.

Choose one option: ☐ **Gross:** I understand that I may receive less than this amount if I elect to have taxes withheld and/or a surrender charge applies.

☐ **Net:** I wish to receive the full amount specified above. I understand that the amount deducted from my policy may be greater if I elect to have taxes withheld and/or a surrender charge applies.

If any of these PPW options include monies to be withdrawn for the purposes of paying a premium for another, NYLIAC, New York Life Insurance Company, or a Long Term Care product, please indicate the policy number:

The periodic partial withdrawal will be used to pay the premiums on the following policy number:

3B: Tell us the frequency you would like to receive these scheduled withdrawals.

☐ Monthly

☐ Quarterly

☐ Semi-Annually

☐ Annually

3C: Tell us the date you would like for the first withdrawal to be withdrawn from your policy.

Payment dates may not be the 29th, 30th, or 31st of a month.

YEAR

To process a periodic partial withdrawal arrangement, NYLIAC must receive this form at least five business days before the date the withdrawals are to begin. The withdrawals will be effective on the date of the month you specify. If the day of the month specified is within five days of NYLIAC's receipt of this form, then the withdrawals will begin on the day specified in the following month.

STEP 4

Tell us the allocation alternatives from which the PPW or partial withdrawals should be made.

PLEASE INDICATE THE AMOUNT TO BE WITHDRAWN FROM THE FOLLOWING INVESTMENT DIVISION(S) AND/OR FIXED ACCOUNT.

If no indication is given, payment(s) will be taken on a proportional basis, based on the allocation of the cash value in the Allocation Alternatives at the time of the withdrawal.

Risk classifications are provided in the parenthesis after the Investment Division. Risk classifications are determined on the basis of the Morningstar Category assigned to the Investment Divisions by Morningstar Analytics as of December 31, 2024. Morningstar, Inc. is a widely- used independent research firm, which ranks mutual funds and other investment companies by overall performance, investment objectives and assets.

FOR VARIABLE UNIVERSAL LIFE PROVIDER PERIODIC PARTIAL WITHDRAWALS ONLY: Your Periodic Partial Withdrawal arrangement will be suspended if there is insufficient cash value in any of the investment divisions you have selected. If the cash value in the investment division(s) then reaches the minimum required, the Periodic Partial Withdrawal will automatically restart on the next scheduled date. You may change your allocation alternatives for your Periodic Partial Withdrawal at any time.

If the day you have chosen for your Periodic Partial Withdrawal payments falls on any day which is not a business day (e.g. weekend or holiday), your payment shall be made on the following business day. The unit value for each payment will be equal to the unit value for the respective Allocation Alternative on the business day the payment is made.

Note: Your Financial Institution must be a member of the Automated Clearing House (ACH). Please check with your Financial Institution.

The account holder of the bank account must be an Owner of the Annuity. If the Financial Institution is a member of the ACH, your payments will be processed via Electronic Funds Transfer (EFT). By electing EFT, you agree that all payments so made shall discharge New York Life to the extent of the payments. In addition, you understand that because of New York Life's annuity payment processing requirements and, if applicable, the Financial Institution's processing requirements, your EFT payment receipt date (the day the payment is available in your account) may be later than the start date you elect, or the date the withdrawal is requested. You further agree that any EFT payments made after your death shall not be held for the benefit of your estate, but shall be repaid to New York Life upon request. You authorize and direct the Financial Institution to refund to New York Life an amount equal to any payments made after your death, and if such payments shall have been credited to your account, or to the account of your estate, to change such account accordingly.

STEP 6 Tell us about your tax withholding election. This will be applied to this withdrawal and any future withdrawals under this policy.

Note: If you surrender your policy, it may result in a taxable gain. Any taxable gain will be reported by us to you, to the Internal Revenue Service, and to any applicable state taxing authorities. Be sure to discuss this with your tax advisor.

Are you a citizen of the United States? ☐ Yes ☐ No

Please select the withholding options that apply to this payment.

Federal withholding election:

☐ **NO** withholding ☐ **YES** withhold at default 10% rate ☐ **YES** withhold at a different rate (IRS Form W-4R required)

State withholding election:

☐ **NO** withholding (may not be available in certain states) ☐ **YES** withhold at _____ % rate (minimum state withholding may apply)

If you elect to have federal income tax withheld, you can choose any rate between 1 - 100%. If you wish to have federal withholding at a rate other than the default 10% rate, please submit a completed IRS Form W-4R (which can be found at www.irs.gov) along with this request form. For an eligible rollover distribution, 20% minimum withholding is required. If federal withholding applies, state withholding may apply depending on your state of residence. We are required by Federal law to withhold 10% of any taxable gain that may result from this transaction if: (1) your taxpayer identification number is not provided in Step 7, (2) you do not make a withholding election, or (3) the payment is delivered outside of the United States or its possessions.

STEP 7 Read and sign.

Your signature(s) confirm that you understand and agree that:

- Partial Withdrawals (including Periodic Partial Withdrawals) may reduce the death benefit payable under the policy.
- Distributions that are taxable will be reported to the IRS on Form 1099R.
- It is the participant's responsibility to meet the IRS requirements that qualify for this distribution.
- The effective date of this request will be the date it is received in the Variable Products Service Center of New York Life Insurance and Annuity Corporation (NYLIAC), completed with all required information for processing.
- Once the withdrawal is processed, NYLIAC is not obligated to accept any return of the monies distributed.
- Distributions that are paying a premium on another NYLIAC, New York Life Insurance Company, or Long Term Care policy will be sent directly to the administrator of the policy number(s).

Important Federal Income Tax Withholding Information

This information is required to carry out the Internal Revenue laws of the United States and to provide you with some basic information about withholding of Federal income tax from your payment under the policy specified on the front of this form.

A partial withdrawal may result in a taxable gain reportable to the IRS. Generally, Federal withholding applies to payments made from pension, profit-sharing, stock bonus, annuity and other employee deferred compensation plans, individual retirement arrangements (IRA), tax-sheltered annuities (TSA), and commercial annuities (which include individual annuity, life insurance and endowment policies). Federal income tax may be withheld only from the taxable portion of your payment (as determined from our records) at a flat 10% rate.

Federal income tax must be withheld unless you elect not to have withholding apply to the taxable portion of your payment. You can make this election by checking the appropriate box in Step 6, the INCOME TAX WITHHOLDING ELECTION section. Generally, your election as to whether taxes are or are not to be withheld will apply to any other payment from the same policy. You may change this election at any time. To change your previous election, check one of the boxes in Step 6, the INCOME TAX WITHHOLDING ELECTION section.

Even if you elect not to have Federal income tax withheld, you are liable for the payment(s) of such tax on the taxable portion of your payment(s). There are penalties under the estimated tax payment rules if enough tax has not been paid through either estimated tax payments or withholding. There is an additional 10% penalty tax imposed by the IRS on "premature distributions" from annuity contracts and modified endowment contracts, unless you are disabled or at least 59½ years of age at the time the withdrawal is made.

If the taxable portion of a payment when added to the taxable portion of all other payments during the year is less than \$200, Federal income tax is not required to be withheld. We will not withhold Federal income tax if the payment is being made to the Trustees of a qualified pension or profit sharing plan.
